### Greetings from the East!

Well summer is here and what a great summer we are having. The air conditioners are in and working great. Thank you for those that donated. The roof repairs have been made and the new carpet has been put down in the lodge room. The lodge looks better than ever. Come out and see the new updates and improvements.

In May, Bridgeport Lodge welcomed Indiana Grand Lodge for the installation of WB Lonnie Hubbard as Worshipful Master of Bartimaseus UD. The whole experience was one I will always remember. I would like to congratulate WB Lonnie and thank every for their help with this unique event.

I would also like to thank Patty Reese and Eastern Star for all the help at Masters and Warden Dinner and all the hard work they put into the fish fry. Thanks to everyone's hard work, the fish fry was again very successful. We see a lot of friends and relatives that come out and support us and we thank you for that.

We are dark until September, but there are some upcoming events to look forward to. Most notably the Tenderloin Fry, which will be Friday, September 26th from 4 to 8 pm. If you like the fish, you will love the tenderloins! I hope to see you there.

Senior Warden Jesse Martinez is trying to bring us into the 21st century and would like your input on the coordinator. Do you wish to receive it by E Mail or by U S mail? Please let Brother Martinez know what your choice is. Your input is greatly appreciated.

In closing let us remember those who sacrifice so much for our Freedom, may they never be forgotten.

Fraternally,

Steven B. Cox, Worshipful Master

**Tidings from the West,**

I have received a total of 28 responses (this number includes the 11 officers) to my request below. We print, fold and mail over 400 Coordinators each quarter. There can be only 2 reasons, as I see it, for this low response rate:

1. Confusion as to my request.
2. Very few actually read the Coordinator.

In order to clarify any confusion, everyone (all 400+) has to choose one of the following options:

1. Receive the Coordinator via email.
2. Receive the Coordinator via the U.S. Post Office.
3. Cancel receipt of the Coordinator.

**If I do not receive a reply, the default option is cancellation of receipt of the Coordinator.**

Here is my contact information:

(317) 457-4176 or [jesse.martinez162@att.net](mailto:jesse.martinez162@att.net)

Also, if you want to remain on the Call List or be added to the Call List in order to be informed of the passing of a Brother and/or his Masonic Service you have to let me know via my contact information.

**If I do not receive a reply, the default option is deletion from the Call List.**

The sooner I can receive your information, the easier this transition will be.

Please let me know if you have any questions or concerns.

Fraternally,

Jesse Martinez, Senior Warden

**Greetings to all in our Masonic Family,**

Our Annual Fish Fry is now completed, and on behalf of the members and officers we say a special “Thank You” those who participated in this labor intensive event, to those who donated funds to sustain our lodge, and those who attended and enjoyed a meal and fellowship. As most of you know this is an extremely important fund raiser for the lodge, and is critical in sustaining ourselves. Although it’s quite an undertaking by many there are always memories made, and stories to tell. If you missed this one, come join us next year and be part of the experience.

We have made some major improvements to our lodge recently. We now have the roof repairs completed eliminating the aggravating leaks we have dealt with for a few years. We also have new carpet, and painted the walls in the Lodge Room. Two new roof top air conditioners are installed and working. In addition there are a lot of new painted areas throughout the Lodge. Our WM, Jr PM, and Trustees have been working on the improvements and they look great. As special thank you to WB’s Chuck Lippens, and Justin Lees for their extended efforts to make sure everything was completed and managing the costs. Come out and see the improvements if it’s been a while since you have been to your Lodge it looks great.

*Have you used your Kroger card lately? It will help support your lodge. If you don't have one contact the Lodge secretary.*

We also attended the Indiana Grand Lodge Annual Communications recently. One of the items discussed again Grand Lodge will be mailing out our 2015 Dues Notices. They no longer will be mailed by me, be on the lookout for this mailing so you can pay your dues promptly. The envelope will have Grand Lodge Logos and Dues Notice on the envelope. The dues will be mailed to me as the Lodge Secretary like in the past for our processing. Again you receiving the dues notice from Grand Lodge, and not from Bridgeport Lodge. Be sure to review the statement including the back page for a message when paying your 2015 dues. These will begin arriving in September.

For those of you using the Kroger Care Program the lodge appreciates your participation, we are seeing the repeated financial rewards. We have several new members who recently bought cards and are using them. We also have our faithful card users who continue to use the program. If you’re not participating in the program, please give it a try. I’ll assist you in getting a card and explaining the process so you too can assist Bridgeport Lodge in meeting its expenses, it’s quite easy.

In closing I do ask everyone to let me know if you have an address or phone number changes. We are maintaining our lodge database, accurate information is critical to its success, and for you to receive the lodge mailings.

Fraternally,

Lonnie Hubbard PM, Secretary
